CANCELLATION/NO SHOW/CO-PAY POLICIES

Thank you for choosing John Muir Health for your therapy services. Due to the volume of new patients and limited appointments, we require that you notify our office **24 hours in advance** if you are unable to keep your appointment. We do understand that emergencies arise. In such cases, please contact us as soon as possible to cancel or reschedule your appointment.

Failure to call and cancel an appointment is considered a "No Show." **After two such occurrences, any additional scheduled appointments will automatically be cancelled.** Your therapist will consider you a discharged patient, and will send a note to your physician indicating non-attendance. You will have to contact your therapist to discuss continuation of therapy.

Along with quality treatment, it is the goal of this clinic to treat patients at their scheduled time. If you are more than ten minutes late for your appointment, your appointment may need to be rescheduled.

Co-pays are collected prior to each treatment. Failure to pay may result in a bill from the health system s billing department.

We want to meet the goals of all of our patients and appreciate your assistance. Thank you for your help! Please let us know if there is something more we can do for you.

To cancel or reschedule appointments, please call (925) 947-5300.

John Muir Health

I acknowledge that I have read and understand these policies.

Consent to Medical and Surgical Procedures: The undersigned consents to the procedures which may be performed during this hospitalization or on an outpatient basis, including emergency treatment or Facility services rendered the patient under the general and special instructions of the patient's physician or surgeon.

Personal Valuables: The Facility shall not be liable for loss or damage to personal property.

Trainees: The Facility conducts training programs for health care professionals. These persons may be observing or participating in the Facility's treatment program. Consent to Photography: The undersigned consents to photography (still images, videotaping, filming, etc.) for purposes related to diagnosis and treatment or for use in training or education programs.

Release of Information upon Public Inquiry: Requests for patient information must contain the patient's name. The Facility may then, unless otherwise requested by the patient, legal representative, or provider of health care, release at its discretion the patient's condition described in general terms (that do not communicate specific medical information) and the patient's location within the hospital. The Facility will obtain the patient's consent and his/her written authorization to release information, other than basic information, concerning the patient, except in those circumstances when the Facility is permitted or required by law to release information. No information will be released to the public with regards to psychiatric and/or chemical dependency treatment.

Release of Information for Payment: To the extent necessary to obtain payment, the Facility may disclose any portion of the patient's record, including his/her medical records, to any party the patient has identified as liable for any portion of the Facility's charges, including, but not limited to, insurance companies, Health Care Service Plans, workers' compensation carriers, social security administration and peer review organizations. The undersigned agrees that he/she is obligated to reimburse the Facility for any deductible, co-payments, coverage penalties, or for any service rendered which is not a covered benefit of his/her Health Care Service Plan at the Facility. For non-emergency services, its is the patient's responsibility to ensure his/her Plan has authorized the requested services at the Facility. The undersigned agrees that denial of payment for lack of an authorization for non-emergent services will be considered a denial for a non-covered benefit, and payable by the undersigned.
