# SPECIALTY UPDATES FOR Primary Care Physicians with emphasis on geriatric medical conditions

John Muir Physician Network proudly presents a seminar focused on specialty updates for Primary Care Physicians with emphasis on geriatric medical conditions. Each specialty session will provide you with an educational presentation to include new clinical material pertinent to your practice. There will also be a question and answer segment to address physician questions. The specialties presenting are:

**Dementia**  
**Osteoporosis**  
**Type II Diabetes**  
**Chronic Pain Management**

.....

## LEARNING OBJECTIVES

- ◆ Provide the most current diagnosis and treatment recommendations based on evidenced based medicine guidelines for common geriatric medical conditions.
  - ◆ State recommendations of medical services and treatment which can often be diagnosed and treated early in their evolution by the Primary Care Physician often promoting better outcomes and obviating the necessity for specialty referrals
- .....

For your participation in the seminar, you will receive 4 CME credits.

The John Muir Physician Network is committed to providing our physicians with services and education to enhance their practice.

Thank you,  
John Muir Physician Network

**OUR MISSION:** To improve the health of our communities with quality and compassion.
