

Physician Referral Directory 2019

Services in Brentwood and
surrounding areas

We are pleased to provide this directory of services available to physicians and patients in Brentwood, Antioch, Pittsburg and surrounding areas. Our providers offer advanced care across a wide range of diseases and conditions, and work closely with our network of physicians in the area to offer a comprehensive care plan. Quality care is now conveniently located within reach to patients living in the second, third, and fifth largest cities in Contra Costa County.

Inside this directory you will find a complete listing of physicians within each specialty, along with their contact information and office hours. You may also access the Find A Doctor link on the main John Muir Health website to obtain more background information on a particular physician, including educational credentials and medical board affiliations.

For more information, please visit our website at johnmuirhealth.com

Contact the physician's office to check for specific conditions treated and procedures performed.

The Programs and Providers listed here include all providers in the East County region by specialty, and you can refer to any of these providers. Providers do not pay a fee to be included in this directory. All providers listed have active Medical Staff privileges with John Muir Health.

Note:

The information about these providers is not confirmation that these providers have contracted with your patient's health plan. Patients should confirm coverage directly with either the provider's office or their health plan. Some providers may have more than one affiliation, and not all providers affiliated with a John Muir Health facility are members of the John Muir Health Physician Network. Information displayed here is subject to change. We strongly encourage you to confirm this information with the provider listed. Providers listed here are not employees; they are associated with John Muir Health. We offer this directory as a community service.
