The Programs and Providers listed here include all providers in the region by specialty, and you can refer to any of these providers using the JMH Link button on this page. Providers do not pay a fee to be included in the listings. All providers listed have active Medical Staff privileges with John Muir Health.

Note:

The information about these providers is not confirmation that this particular provider has contracted with your patient's health plan. Patients should confirm coverage directly with either the provider's office or their health plan. Some providers may have more than one affiliation, and not all providers affiliated with a John Muir Health facility are members of the John Muir Health Physician Network. Information displayed here is subject to change. We strongly encourage you to confirm this information with the provider listed. Providers listed here are not employees; they are associated with John Muir Health. We offer this directory as a community service.
