

ZirMed® Real-Time Eligibility (RTE)

Insurance verification
made easy

About Real-Time Eligibility

Real-Time Eligibility (RTE) is the electronic verification process* available through Community Connect® that confirms patient insurance coverage prior to their appointment.

RTE Benefits

- Helps to ensure coverage during the date of service
- Increases claims submissions and reduces claims denials
- Saves time
 - One click during patient registration
 - Options to automate verification
 - Allows more time to make other payment arrangements with patients who are not covered by insurance

Over 100 large insurance plans are connected with RTE, including:

- Aetna
- Blue Cross
- Blue Shield
- Cigna
- Golden State
- Health Net
- Humana
- Medi-Cal
- Medicare
- Tricare
- United Healthcare

* RTE interfaces with the ZirMed® Medical Claims Clearinghouse.
