

Dragon Nuance PowerMic Setup Instructions for use in VDI (Windows only)

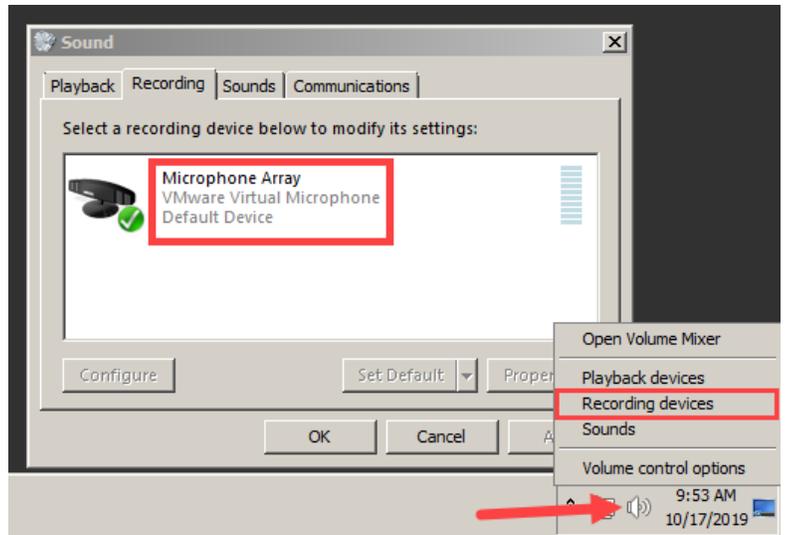

VDI setup portal: <https://www.johnmuirhealth.com/custom/external-setup.html>

1. Make sure your Power Mic is plugged in to your computer before launching a VDI session.

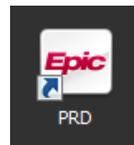

2. Login to the JMH VDI Pool:

3. Right click on the **Speaker** icon located in the lower right corner of the taskbar. Select **Recording Devices** and make sure **Microphone Array** is present:

4. Double click the Epic PRD icon on the desktop.

5. In Epic, launch Dragon and make sure Microphone Array is selected as the Microphone:
